YOUNG INVENTORS' PROGRAM

Become a creative thinker, solve problems with new ideas, build great inventions, compete for awards statewide, and have fun! Learn more at www.aas-world.org/YIP/index.html

ONGOING TEACHER SUPPORT:

Help students grades K to 6 develop essential skills of logical thinking, creative problem solving, intellectual risk-taking, and communication through the invention process.

2012 YIP AWARDS CELEBRATION

Be part of the excitement March 24!

24 Warren Street, Concord, NH 03301
